Ticket prices and refunds

Online: $20 for one entry.
At the Gala: $20 for one entry or $100 for six entries.
All raffle ticket purchases are final. No refunds will be issued.

How to enter online

Online raffle tickets are sold through BiddingForGood, Refresh NTX's online auction platform, using a separate Buy Now listing for each prize. Select the prize and the number of entries you wish to purchase. Each quantity purchased equals one entry in that prize's drawing. Prize selection is made at the time of purchase, before online sales close.

A Refresh NTX board member will verify online purchases. Each verified online entry will be converted into a physical raffle entry and placed in the corresponding prize bucket before the drawing.

How to enter at the Gala

Physical raffle tickets will be sold at the Gala. Payment may be made with cash or through Square. Purchasers choose which prize bucket or buckets to enter and must place their completed tickets in the selected buckets before the drawing begins.

Write your name, phone number, and email address clearly on each ticket. Purchasers will not retain ticket stubs. If contact information is unreadable, incomplete, or missing, Refresh NTX will try to match the entry with purchase records. If the entrant cannot be identified, the prize will pass to the next winner.

How winners are selected

A Refresh NTX board member will conduct a separate drawing for each prize from that prize's bucket. Verified online entries and tickets entered at the Gala will be included in the same corresponding prize bucket.

Immediately after drawing a primary winner for each prize, Refresh NTX will draw two alternate winners from the same bucket and record them in order as Alternate 1 and Alternate 2. The drawing will be documented in writing, including the primary and alternate winners. It will not be video recorded.

Winner notification and response deadline

Winners present at the Gala may be announced and notified in person. Winners who are not present will be contacted by phone and/or email using the information provided with their entry. Refresh NTX will make at least two contact attempts using available contact information.

The primary winner has **48 hours from the initial notification** to respond. If the primary winner does not respond within that period, the prize passes to Alternate 1, who has 48 hours from notification to respond. If Alternate 1 does not respond, the prize passes to Alternate 2 under the same 48-hour response period.

Prize collection and taxes

Prizes may be provided in person at the event, or delivery arrangements will be confirmed with the winner. If a winner requests that a prize be mailed, the winner is responsible for shipping costs. Shipping is limited to addresses within the United States. Winners receiving prizes at the event will sign a receipt.

Winners are responsible for taxes associated with their prizes. Experience and travel prizes are subject to the restrictions listed in their descriptions and may also be subject to additional provider restrictions, availability, and booking requirements not listed here. Winners should confirm all applicable terms with the prize provider before booking or redeeming their prize.

Raffle records

Refresh NTX will retain raffle records, including ticket sales and online purchase records, prize donor forms, winner documentation, drawing records, financial reconciliation, and the final raffle rules. Primary and alternate winning tickets will be retained with the raffle records.
